

August 27, 2014

On behalf of the Snowcrest Riders Snowmobile Club we would like to thank all of our Club Membership for their support over the last week. Together through our members we were able to raise our minimum goal of \$12,500 and snowmobiling will continue in Gravenhurst this winter but there is still a long way to go!

It is now up to the club and our business partners to work together and we need your support- if you or your business benefited from snowmobiling last winter we need your help by purchasing a map ad or sponsoring the club with a donation. The map has been re-formatted as a Snowmobile Hospitality Guide to showcase South Muskoka businesses and encourage all who snowmobile in our region to Support our Club Supporters- they help provide trails through club sponsorship.

We are proud of our efforts and what we all have done together and want to continue bringing trails to the town's door but need support from the businesses to do it. Everyone who benefits from the snowmobile trails must realize for the fantastic network we have and all the sledders it brings everyone must work together, including financially. This can be done by either:

- **Considering a 1 time corporate sponsorship. Sponsorships in excess of \$1000 will have special advertising incentives in the Snowcrest Hospitality Guide Map 2014/15 and it would greatly help the club.**
- **Buy a map ad for \$400 and support the club. It helps cover the cost of the producing the map and guide which is integral to promoting the sport.**

This year we will be accepting cheques, cash, MasterCard and Visa and request payment be made up front at time of purchase to ensure timely printing of the map, please contact club directly if upfront payment is an issue. Your commitment prior to August 29 is appreciated although map ads will be available for sale until September 8- don't miss out! Your competitors aren't!

Please contact the club directly 705 687 7921 or snowcrest@vianet.ca to discuss further, we look forward to another great year with our partners...

Thank you to Master Movers & Storage, Muskoka Wharf Marine, Residence Inn by Marriott, Boston Pizza, DC Racking, Armstrong Moving, Ryde Systems, Idris Insurance, Tableware Solutions and all new incoming requests for confirming their ads!!!
